

## **White Chocolate Cranberry Oatmeal Cookies**

Cookie Mix in the jar

½ cups butter (softened)

2 eggs

1 tsp. vanilla extract

### **Directions:**

- Preheat oven to 375 degrees.
- Empty cookie mix into a medium bowl. Use your hands to break up the ingredients and mix them thoroughly. Beat butter, eggs, and vanilla extract in a large bowl until well mixed.
- Add the dry ingredients to the butter mixture and mix with a spoon until well combined.
- Drop the dough by heaping teaspoonfuls onto an ungreased baking sheet, spacing cookies about 2 inches apart to allow for spreading.
- Bake 12-14 minutes or until light brown in color. Allow to cool for 5 minutes on the baking sheet, then transfer to wire racks and cool completely.
- Serve immediately or store in an airtight container for up to two weeks.  
Makes about 3 dozen cookies.
